## Senior Consultant / Consultant Life Cycle Assessment (m/f/d)

---

**Location:** Stuttgart (Leinfelden-Echterdingen), Berlin or Lyon

**Availability:** 01.09.2019 or 01.10.2019

### Your Responsibilities

- Manage LCA-consulting projects preferable in the automotive and energy & mobility, metals & mining or in the chemicals & Life Science sector timely and profitable
- Support / Manage LCA-software implementation / integration as part of client projects
- Develop and maintain solid, lasting relationships with existing clients
- Be accountable for successful completion of projects
- Identify new business opportunities in your daily work, develop new leads
- Pro-actively pursue new business opportunities (leads), write offers, present to clients and be responsible for the whole sales process

### Your Profile

For the Senior Consultant position, you need more than 2 years of professional experience, ideally including LCA-consulting experience preferably in one of the fields mentioned above, sustainability and GaBi software solutions. For the Consulting position we are looking for someone who has just graduated. A University degree (MSc, PhD) with a focus on engineering or similar is highly appreciated. A solid experience in building relationships with major clients and a high affinity to software and software-based solutions are essential pre-requisites. If you are passionate and highly competent in environmental disciplines, are keen affinity to work in teams and have excellent communication and presentations skills (written and oral) in German and English – we look forward to receiving your application. French would be an advantage. For further information please visit our website: <https://www.thinkstep.com/de/uber-uns/karriere>.

### We Offer

Excellent career opportunities in a constantly growing IT- and consulting company in the fast-growing field of sustainability. The excitement to work with a dynamic team in a pleasant and professional work environment. And, have access to flexible working hours and much more.

Interested? We look forward to hearing from you!
